Bills amounting to Rs. 14,549—0—2 being Printing Charges till the end of Mithunam 1122 were received in Karkadagam 1122. The balance of allotment avilable for adjustment was only Rs. 3,998—9—2 and the same was adjusted in 1122 itself. A sum of Rs. 10,550—7—0 remains to be adjusted under the head for the year 1122.

The budget allotment under Printing Charges for 1123 is only Rs. 4,000. As this amount will be required for meeting the current year's expenditure a sum of Rs. 10,550 is necessary as additional allotment under "15—Registration—(q) Printing Charges." I request that the grant may be made.

(16) "20—Law and Justice—B (2) District Court—Contingencies—Office Expenses"

Mr. Parambi Lonappen *(Minister for Revenue):* I rise to move for an additional allotment of Rs. 750 under "20—Law and Justice—B(2) District Court—Contingencies—Office Expenses."

Consequent on the creation of Temporary Additional District Court of Anjikaimal one more stenographer and an additional typist were entertained. The necessity for one more type-writer arose and a new machine was sanctioned for the Temporary Additional Court. A sum of Rs. 750 is required for adjusting the cost of the type-writer. Funds are not available under any other heads for meeting this expenditure by re-appropriation. An additional allotment of Rs. 750 is therefore necessary under "20—Law and Justice—B(2) District Courts—Coutingencies—Office Expenses." I request that the grant may be made.

(17) "26-Medical—1-Medical proper—Miscellaneous"

Mr. Parambi Lonappen *(Minister for Revenue):* I rise to move for an additional allotment of Rs. 5,000 under "26—Medical—I—Medical Proper—Miscellaneous."

The T. B. Sanatorium proposed to be started at Mulakunnathukavu is only under construction. Its construction is expected to be over by the end of this year. Until the Sanatorium in the State is started the T. B. patients of this State have to seek admission in institutions outside the State. The union Mission Tuberculosis Sanatorium at Arogyavaram near Madanapalli affords facilities for such patients for Sanatorium treatment and has been admitting them as far as possible. For the generous provision made for patients from this State in this Sanatorium it is only fair that the Government render them whetever financial assistance they can. The authorities of this institution have now requested for help from this Government for making some improvements to their institution. Last year a some of Rs. 5,000 was contributed. This year also a sum of Rs. 5,000 is proposed to be contributed. As this item of expenditure was not anticipated at the time of framing the current year's budget definite provision could not be made. Hence an additional allotment of Rs. 5,000 is necessary under "26—Medical—I—Medical Proper—Miscellaneous" for this purpose. I request that the grant may be made.

(19) "34. Scientific etc. Departments"

Mr. Parambi Lonappen (*Minister for Revenue*): I rise to move for an additional allotment of Rs. 800/- under "34. Seientific etc. Department—2—Archaeology—Office expenses and Miscellaneons". It is proposed to conduct Excavations at Porkulam and Chiramangad Village for a period of 3 months from 15th February 1948 by the Archaeological Department, in collaboration with the Archaeological Department of the Government of India. Experts in the work of Archaeology have been invited to help in the excavation. They consist of 5 members and arrangements have to be made for their stay in the State. There is no provision in the Budget for this expenditure which is estimated at about Rs. 800. No provision could be made in the budget, as this had not been anticipated at the time of the budget. An additional allotment of Rs. 800/- has, therefore, become necessary under the above head. I request that the amount may be sanctioned.

(20) "34. Scientific etc., Departments"

Mr. Parambi Lonappen (*Minister for Revenue*): I rise to move for an additicnal allotment of Rs. 905—3—0 under "34 Scientific etc. Department—Purchase of Curiosities". This is also related to some excavations by the Archeological Department, I request that the gran may be made.

(21) "42. Miscellaneous"

Mr. Parambi Lonappen (*Miniter for Revenue*): I rise to move for an additional allotment of Rs. 10,000/- under "42-Miscellaneous-7-other heads-Miscellaneous and unforeseen charges". The curreut year's budget allotment of Rs. 8,500 under this head is almost exhausted leaving a balance of Rs. 1,451 only to meet the expenditure for the remaining part of the year. This is quite insufficient considering the several items of miscellaneous and unforeseen charges, such as advertisement charges, writing off of Evacuee loans, financial helps and the like, to be met from this head. Already a sum of Rs. 5,000 has been advanced to meet the expenses in connectiom with the flood relief measures. There is no amount to be given since the advance already sanctioned is over. Recommendations are being received even now from the Diwan Peishkar in this connection and there is no sufficient allotment sanctioned additional allotment of Rs. 10,000 under the above head is therefore necessary in the current year's budget.
